2 · Suggestion (Vorschlag)

⚠ Manual review needed (Prüfung erforderlich)

- Required document(s) missing: Declaration of Performance (DoP / DoPC)

HS code	Confidence	Category
6810.91	90%	2 / 3

Prefabricated structural components for building or civil engineering, of cement, concrete or artificial stone

Why: The goods described are precast concrete wall elements intended for construction, which aligns with the definition of prefabricated structural components for building or civil engineering made of cement or concrete.

Evidence: Invoice: precast concrete wall elements for a residential building

- Construction product under a harmonised standard (EN 14992 (precast wall elements) or other precast hEN): CE marking + DoP/DoPC.

Documents (Unterlagen)

Document	Type	Status	Legal basis
